

DIGITAL MARKETING PLAN

Build the foundation. Then **generate the leads.**

A two-wave plan built for where DAGGA Roofing is right now — a new company relying on door knocking and referrals, wanting more retail jobs immediately. Wave 1 puts the digital foundation in place so Wave 2's advertising has somewhere to send people.

WAVE 1 — NOW

Digital Foundation

\$650 USD

One-time

WAVE 2 — NEXT

Lead Generation & Media

Google & Meta Ads plus professional media production. Priced separately once the foundation is approved.

WAVE 1 — DIGITAL FOUNDATION

01

SEO + Website Optimization

\$250 USD

Optimizing the existing DAGGA Roofing website rather than rebuilding it.

- ◆ Website SEO audit
- ◆ On-page SEO optimization
- ◆ Page titles & meta descriptions
- ◆ Service keyword optimization
- ◆ Roofing service pages optimization
- ◆ Local SEO structure
- ◆ Kissimmee / service-area optimization
- ◆ Content structure improvements
- ◆ Calls-to-action optimization
- ◆ Contact / lead conversion improvements
- ◆ Basic technical SEO recommendations
- ◆ Google indexing / search visibility setup

Objective: make the existing website stronger for local roofing searches and prepare it to convert visitors into inquiries.

02 Google Presence & Setup

\$250 USD

A complete Google foundation for DAGGA Roofing.

- ◆ Google Business Profile setup / optimization
- ◆ Business categories
- ◆ Services
- ◆ Business description
- ◆ Service areas
- ◆ Business information
- ◆ Photos / content organization
- ◆ Google account / Google Ads account setup
- ◆ Conversion / tracking foundation
- ◆ Google Analytics & Search Console where applicable
- ◆ Google review strategy
- ◆ Review response framework

Important: Google Ads management and ad spend are part of Wave 2.

03 Social Media Foundation

\$150 USD

Establishing the content direction without requiring professional shooting yet.

- ◆ Facebook & Instagram optimization
- ◆ Monthly content strategy
- ◆ Social media content calendar
- ◆ **10 social media posts**
- ◆ Content writing / captions
- ◆ Educational roofing content
- ◆ Service-focused content
- ◆ Trust / credibility content
- ◆ Customer-focused content
- ◆ Local roofing content
- ◆ Calls-to-action

CONTENT FOCUS

- ◆ Roof replacement
- ◆ Roof repair
- ◆ Roof inspection
- ◆ Storm damage
- ◆ Insurance claims assistance
- ◆ Maintenance
- ◆ Commercial roofing
- ◆ Before / after using available assets
- ◆ Homeowner education
- ◆ DAGGA Roofing credibility

WAVE 1 INVESTMENT

SERVICE	FEE
SEO + Website Optimization	\$250
Google Foundation & Setup	\$250
Social Media + 10 Posts + Calendar	\$150
TOTAL	\$650 USD

Once the foundation is ready, we go aggressive.

Wave 2 turns the foundation into booked jobs — paid campaigns pointed at high-intent local homeowners, backed by real DAGGA content instead of stock imagery.

PAID ADVERTISING

Google Ads

- ◆ Campaign strategy
- ◆ Search campaigns
- ◆ High-intent roofing keywords
- ◆ Local targeting
- ◆ Call campaigns
- ◆ Lead / conversion tracking
- ◆ Optimization

Meta Ads

- ◆ Facebook & Instagram campaigns
- ◆ Lead generation
- ◆ Local homeowner targeting
- ◆ Roofing offers
- ◆ Storm damage campaigns
- ◆ Retargeting
- ◆ Creative testing

Advertising spend is separate.

PROFESSIONAL MEDIA PRODUCTION

- ◆ Professional photography
- ◆ Roof inspection content
- ◆ Reels
- ◆ Roofing project photography
- ◆ Team / company content
- ◆ Educational videos
- ◆ Before / after content
- ◆ Customer testimonials
- ◆ Creative advertising assets
- ◆ Job-site video

This gives us **real DAGGA content** — not stock images or generic graphics.

THE STRATEGY

Wave 1 » Build the foundation

Wave 2 » Generate leads

This sequence suits DAGGA specifically: a new company currently relying on door knocking and referrals, wanting more retail jobs immediately, with a \$2,000—\$5,000 solution budget and an ASAP start. Wave 2 pricing will be presented once the foundation is approved.
